EPK

BIOGRAPHY

Born in the era where battle rap reigned, iLL Chris has made a name for himself with his witty punch lines and strong hustle. Born and raised as a military brat in OK & VA, L's picked up influences from early 90's hip hop from his older brother. Moving to the west coast in 2000 L's hit the scene with high gear winning multiple notable MC battles where he was accepted as a ranked contestant for the MTV "MC Battle" 2002 in NYC. Moving fresh out of High School to the region of Seattle/Tacoma, WA. iLL Chris has connected himself to the before unrecognized music scene of the North West with his King of Seattle Battle win in 2004 Hosted by 106 & Park Champion "JIN". Over the last two years Chris has displayed a stellar track record of songs & performances along the west coast opening for notable acts such as Wiz Khalifa, Curren\$, Big Sean, Mac Miller & many more. With a cameo in Mackelmore's "Thrift Shop" iLL Chris is easily identifiable by five words "AHH HE GOT THE VELCROS". Highly publicized debuted Mixtapes & Ep's such as "iLL Chris Project", "BoloTape" received well over 44K Downloads and 7K purchases on iTunes. Chris has received many mentions from websites such as 2dopeboyz.com, Djbooth.net, & Nahright.com, All Hip Hop, and XXL reaching over 100,000 downloads combined. iLL Chris is known for his Vintage Fashion, Sneakers, Music and Lifestyle. With his fresh style, good music and appeal he will surely land soon in hip hop's freshman class.
